Statement of Understanding

Iauthorise the Australian Institute of Sport and Recreation (provider 31690) to search and ascertain my eligibility to receive funding for training and I understand such training may be partnered or co-delivered. I have been explained the funding criteria including that on completing a funded Certificate program, I would no longer be eligible for further Certificate 3 Guarantee funding at the same Certificate level. I have been advised to access information such as the student handbook, funding expectations and rules at www.agi.edu.au and further information including fact sheets at www.training.qld.gov.au. All the above information provided is current and correct.
